

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INQUIRY INTO INTRALATA TOLL)	
COMPETITION, AN APPROPRIATE)	
COMPENSATION SCHEME FOR COMPLETION)	ADMINISTRATIVE
OF INTRALATA CALLS BY INTEREXCHANGE)	CASE NO. 323
CARRIERS, AND WATS JURISDICTIONALITY)	

O R D E R

On October 6, 1988, the Commission issued an Order initiating this case.

On November 4, 1988, an informal conference was held. At that time parties were asked to submit in writing their position on handling the case in phases and their recommendations on a procedural schedule by November 11, 1988. The Commission has reviewed the positions of the parties on handling the case in phases and concludes that breaking the case into phases will make it easier to manage.

The parties were divided on which issue should be addressed in Phase I. After considering the positions of the parties, the Commission finds that Phase I should address the issues related to intraLATA competition, including the impact competition would have on the intraLATA pricing and settlement process. The reasonableness of permitting intraLATA competition is the threshold question in this investigation. The Commission's findings concerning intraLATA competition may impact the scope of the remaining issues. Phase II will address the compensation

issues, and Phase III will address the WATS jurisdictionality issues.

After reviewing the parties' recommendations on a procedural schedule, the Commission establishes the procedural schedule set out in the attached Appendix.

BE IT SO ORDERED.
